Serving schools and child
nutrition programs
nationwide

Let's Build a Healthier Future

It's more than food—it's a
foundation for success.

From compliance to creativity,
we help schools elevate every
part of their child nutrition
program.

NSLP Consulting Services

Empowering
Schools. Fueling
Futures.

Why It Matters

✓ Better Student Health & Academic Performance

Well-nourished kids focus better, behave better, and miss fewer school days.

✓ Regulatory Peace of Mind

We handle the details—so you can stay audit-ready, stress-free.

✓ Boosted Meal Participation

Menus that kids love, designed to meet guidelines and reduce food waste.

✓ Budget-Friendly Operations

Strategic sourcing and staffing solutions to make every dollar count.

✓ Inclusive, Custom Meal Planning

Reflect cultural needs, allergies, and preferences in every menu.

✓ Greener Practices, Less Waste

Eco-conscious strategies that protect your budget and the planet.

Our Services
